

The Suiter

Main Floor

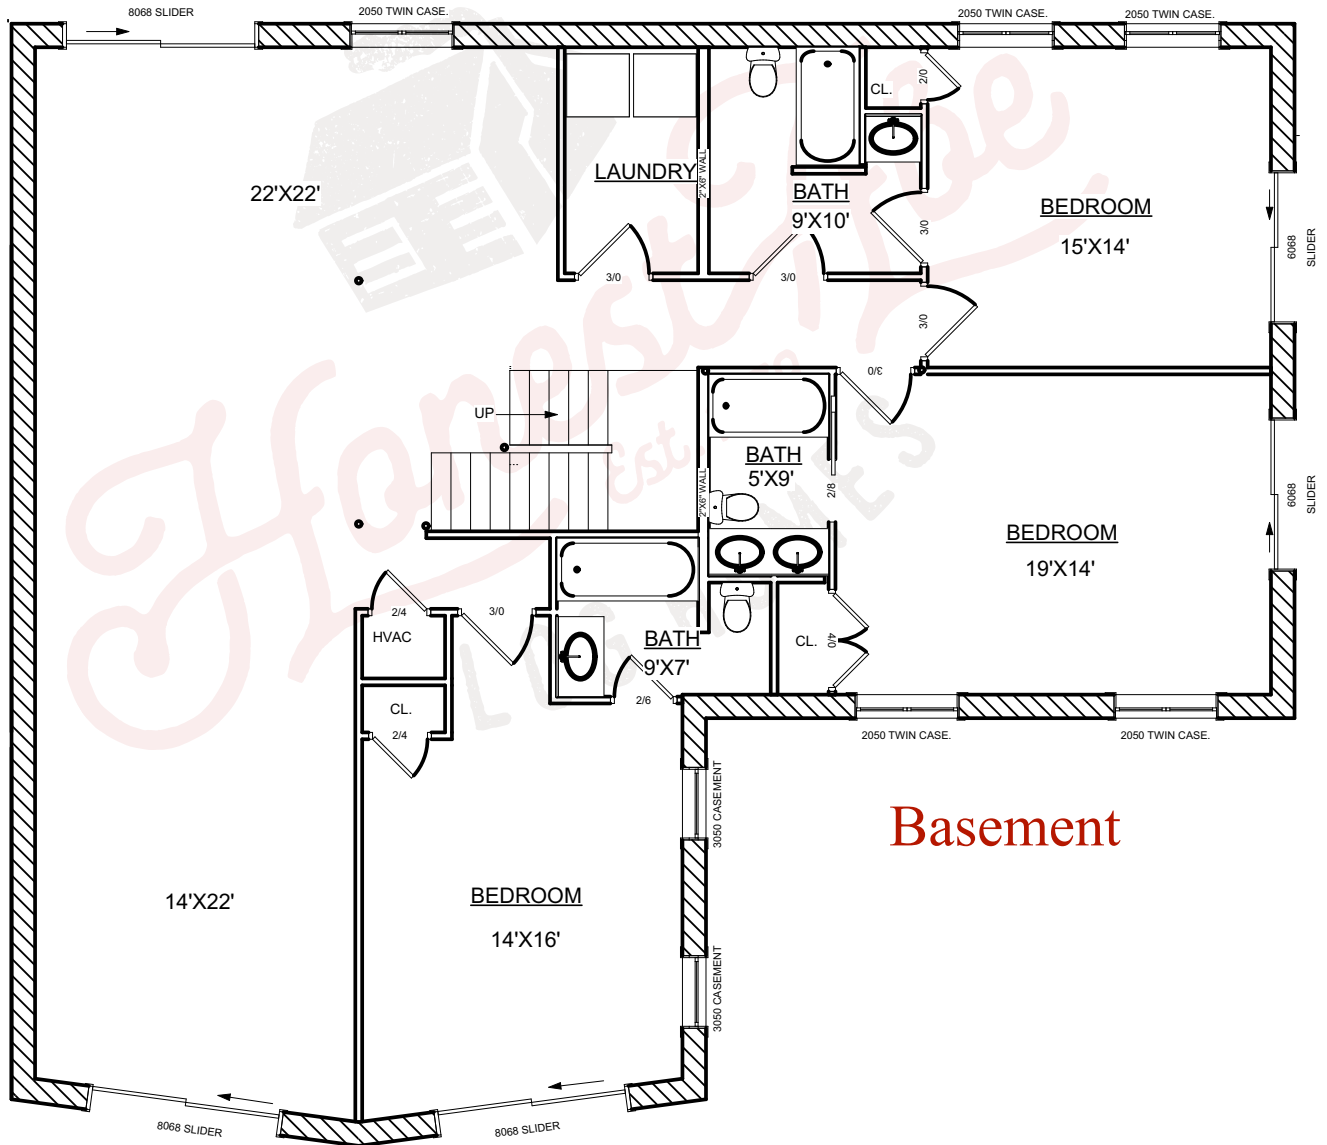

2nd Floor

The 2nd floor plan features a central staircase with railings leading down (DN) to the 1st floor. To the left of the stairs is a large **LOFT** (19'x21') with a **LOAD BEARING RIDGE BEAM** and **OPEN TO BELOW** area. To the right of the stairs is a **BEDROOM** (17'x19') with a **BATH** (8'x8') and two **LAV.** (8'x6'). The plan includes a **DECK** with a **6008 SLIDER** door, **STORAGE** areas, and **VOID** spaces. Dimensions for **6'-8" HEADROOM** and **5' KNEEWALL** are indicated throughout the layout.
